

Majestic

MULTIPURPOSE STACKER

Features

Designed for multipurpose use. Features a more upright back pitch and flatter seat pitch perfect for sitting around tables. It's lighter than traditional church chairs and has stackbars making setup and teardown quick and easy

Highest Quality Frame Manufactured in N.America of Heavy-duty 16 gauge steel with durable powder coating

Closed loop back frame with plywood foundation attached with metal T-nuts for the utmost durability

Top-grade seat construction with metal T-nut fasteners and rolled-front seat cushion for extra leg comfort

Commercial grade cushioning with upholstered back and seat; choose from a selection of heavy-duty grade fabrics. The Majestic is shown here in Empress Midnight, Rounded Back.

Available in Two Piece Back, One Piece Back and Flexback option.

Limited lifetime frame/structural warranty; 10 years workman-ship warranty; Limited lifetime fabric warranty on select fabrics

Options include: Welded interlocks for locking chairs together
